Community Links provides direct care services for those with Intellectual Disabilities, that promote and support their independence in their home or in their community.

Supports can include help with daily living skills, including personal hygiene, meal preparation, shopping, cleaning, budgeting and accessing community resources.

Services are provided by direct support staff. All Community Links’ staff must successfully complete background checks in order to work with our consumers.

Community Links is a Qualified agency through the Pennsylvania Office of Developmental Programming and the Department of Public Welfare.

OUR MISSION STATEMENT:

Community Links is a private, non-profit organization providing direct support services to the citizens of McKean, Elk and Cameron counties with Intellectual Disabilities. Community Links incorporates the Core Values or Principles of “Everyday Lives” and the concept of Positive Approaches in the standards for planning, policy development and service design. Community Links supports the mission of the Office of Developmental programming to support Pennsylvanians with developmental disabilities to achieve greater independence and enhanced quality of life.

Issued by the Department of Public Welfare on June 13, 2003.
